Richard Martinez

Dear Mr Martinez

This letter is to inform you of the State Board of Education's (SBE) final decision on the cut off score for the *Prueba de Español para la Certificación Bilingue* examination. At the June 16, 2000 meeting, the SBE approved the recommendation that applicants for a bilingual endorsement must pass 12 out of 15 subsections by obtaining a score of 2 or better on each subsection. The SBE shall receive annual reports that include test performance data, impact data, and test improvement data with the understanding that the passing standard be raised over time to reach the target of 14 subsections out of 15.

Your test results indicate a level of proficiency below the acceptable level described above. Please read the following information carefully. Examinees who received a score of 1 in more than three subsections of the test must take the examination again and raise the score(s) to at least a score of 2 in 12 of the 15 subsections in order to receive an endorsement in bilingual education. The grading procedures remain unchanged.

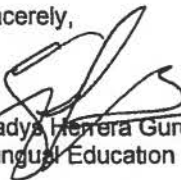

Examinees will not necessarily have to retake the entire exam. What this means is that

- 1) The examinees will retake only the part(s) of the exam that resulted in a score of 1. Due to the holistic nature of the exam, an entire part will be retaken,
- 2) Only the subsection(s) with a score of 1 will be re-scored,
- 3) Subsection(s) with a score of 2 or higher within the part(s) retaken will not be re-graded,
- 4) The fee to retake the exam is set at \$30.00 per part.
- 5) For further information on registration for retakes, please contact Rebecca Baca at New Mexico Highlands University (505) 454-7643.

It is strongly recommended that individuals planning to retake any part of the exam concentrate their studies on that (those) particular part(s) and prepare themselves well before attempting the test again. Please Note: It is your responsibility to provide a copy of your scores to the Professional Licensure Unit.

For further information on your licensure status, please contact the Professional Licensure Unit, SDE at (505) 827-6581. If we can be of further assistance, you may contact Gladys Herrera-Gurulé at the Bilingual Multicultural Unit, SDE, at (505) 827-6666.

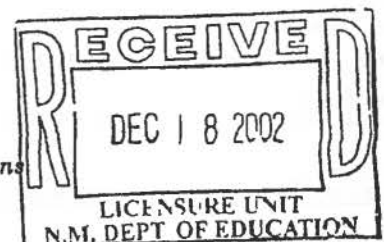

Sincerely,

Gladys Herrera-Gurulé, Ph.D.

Basketball coach of 5A champs Española on leave

By James Barron

The New Mexican | Posted: Tuesday, March 22, 2016 7:00 pm

Española Valley head boys basketball coach Richard Martinez, who guided the Sundevils to a Class 5A title just 11 days ago, was put on paid administrative leave Monday by the Española Public School District.

Martinez confirmed that he was placed on leave, but said he had no further comment at this time. Española athletic director Eric Vigil also had no comment regarding the reasons for the decision. The action comes almost two weeks after Española made a spirited run through the 5A bracket as the fifth seed in the tournament, culminating in a thrilling 36-34 win over Capital in the

5A championship game March 12.

Several sources close to members of the basketball program indicate that the action stemmed from Martinez leading a team prayer during the state basketball tournament. A few of those sources added that the district is also looking into supervision issues with the players during the season, as well as the handling of discipline.

Another source indicated there are academic issues that the district is reviewing.

Martinez is in his 13th year at Española, having accumulated a 252-133 record and two state titles. Martinez also led Mora to a state title in his first year as a head coach in 1994-95 and has a 334-165 career record. However, the fiery, demanding head coach has also dealt with his share of adversity.

Martinez has been fired twice, only to regain the job through the Española school board.

In February 2014, the school district placed him on leave as it investigated allegations that he demeaned or bullied players. The investigation did not find any concrete evidence to support the claims, and Martinez was back on the sidelines without missing a game. Martinez took aim at his critics then, saying they do not quite see things the same way he does.

"They'll call it bullying, and I call it constructive criticism," Martinez said. "They'll call it intimidating, and I call it perception. They call it weak, I call it mental toughness. It all depends on the context of it."

After he led the Sundevils to the program's first state title in 2011, Martinez did not receive a recommendation from then-athletic director Theresa Flores until late May. It came after he applied for the Santa Fe High boys basketball coaching job, and he withdrew his name from consideration.

In March 2012, Martinez was fired by then-athletic director Lenny Roybal, only to be reinstated by then-Superintendent Art Blea a week later after Blea reconsidered Roybal's recommendation and put Martinez on a "professional development plan."

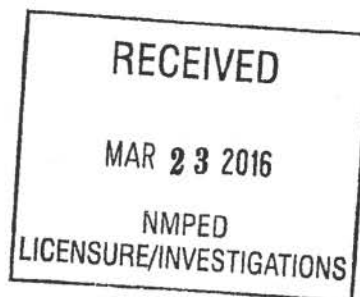

At Mora, he was fired in June 1995 when parents complained to the school board about the coach.
